Lone wolf assault on Pan condemned

LOS ANGELES—Conscience Coalition Executive Director Jonathan Lockwood released the following statement:

“Conscience Coalition condemns Sen. Pan’s former primary opponent shoving him. He does not represent anyone in our movement. Our hope is lawmakers recognize that the debate over public policy should stay above the political games that are being played and a lone wolf behaving badly. Nothing can or will change the fact that Senate Bill 276 blatantly disregards the federal law of the land and the fact no mandated safety reports have ever been done and sent to Congress.”
